Together, WIOA partners align services to build skills, credentials, and careers

Turning Information Into Impact

- **Measure Student Progress**

  Enrollment -> Attendance -> Measurable Skill Gains (MSGs)

- **Inform Funding & Accountability**

  Performance targets drive resource allocation

- **Identify Equity Gaps**

  Who is being served? Who isn't?

- **Strengthen Partnerships**

  Data supports IET and Workplace Literacy alignment

From Collection to Action

- **State Level:**
  - Federal reporting to OCTAE
  - Set statewide performance targets
  - Identify regional trends and equity gaps

- **Local Level:**
  - Program planning and improvement
  - Instructional adjustments to meet learner needs
  - Support for transitions, credentials, and employment outcomes

From Data to Decisions

Overview of two dashboard tools:

1. WIOA Performance & Transparency Dashboard
2. Adult Education Dashboard

Continuous Improvement Committee – Performance Workgroup Tasks

The Performance Workgroup, under the Continuous Improvement and Accountability (CIA) Committee, developed a public online dashboard to provide transparency on WIOA performance measures. 🔗 Illinois WIOA Performance Dashboard

Dashboard Features:

- **Measure Definitions:** Clear explanations of each WIOA performance measure
- **Targets by Fiscal Year:** Annual targets by measure and title, set in negotiation with federal agencies
- **Actual Performance:** Compare results against targets across all titles
- **Reporting Timelines:** Key Deadlines for performance reporting to federal agencies

Adult Education Dashboard

- Offers enrollment and performance data
- View data statewide or broken down by program, Economic Development Region, or Local Workforce Investment Area (LWIA)
